
THE ACTIVISION
LITTLE COMPUTER PEOPLE
DISCOVERY KIT™
There really are little people living inside your computer. And one of them is waiting for you to give him a home...and be his friend.
He will talk to you and play with you and live a very happy life, as long as you take care of him.
This Discovery Kit contains a house for one Little Computer Person. Try it. See who moves in. You will discover a whole new world of computer fun and friendship.

THE LITTLE COMPUTER PEOPLE ARE WAITING FOR YOU TO BE A FRIEND!!

Locked in the darkness deep inside each and every computer are many different Little Computer People (LCPs). They have lived their lives in secret for years, playing tricks on many computer owners, but never letting themselves be seen or heard. Until now.

Discover the LCP inside your computer, watch him live his life. He'll eat, sleep, play his piano, play records, and much more. You can even communicate with him, play games with him and he'll rely on you for food, water and friendship.
